Dear Sir:

Applicants thank the Office for the issuance of the Notice of Allowance. However, upon review of the Notice of Allowance, Applicants note that claims 22, 51, and 56 were not indicated as allowed under numeral 2 of the Notice of Allowability.

In the Reasons for Allowance, the Examiner advised that independent claims 1, 8, and 15 are allowed. The Examiner also advised that claims 2-7, 9-14, 16-21 23-25, 37-41, 50, 55, and 56 are allowed as they depend from claims 1, 8, and 15. However, claims 22 and 51 also depend directly (claim 51) or indirectly (claim 22) from independent client 15. Thus, Applicant submits that claims 22 and 51 should also be found allowable. While the Examiner advises that claims 56 is allowable in the Reasons for Allowance, as stated above, it is not indicated as allowed in the Notice of Allowability.

Based on the foregoing, Applicants respectfully request the issuance of a Supplemental Notice of Allowability or Official Communication from the Office acknowledging the allowance of claims 22, 51, and 56.

If there are any questions or concerns regarding this Communication, the Office is invited to contact Applicants' Representative noted below.

Dated: 28 April 2010
